

Leveled Reading Sets

Find a set you want: **Refer to the enclosed list, grouped by Level.**

To see if the set you want is available, start by checking TPL's on-line catalog: <http://twinsburglibrary.bibliocommons.com/>

Unlike typical holds you may place on library materials, these reading sets are non-holdable: you will not be able to place a hold on the set.

Click on [View Availability Details](#) which will take you to the Groupset listing. This should indicate to you that it is the Group set. It tells you there are (12) copies and the level, under Call No. It will also tell you if the set is available or if it has been checked out.

If the set is available, you may call Youth Services at 330-425-4268 x 132 to have us reserve it for you.

Availability for...

| Groupset - Juvenile. No Holds | | | |

Get the set: Let TPL do the work.

- You will need to use a teacher's card from the Twinsburg Public Library. If you do not have a teacher's card, please stop at the front circulation desk and apply for one.
- Materials from TPL are fine-free when you use your teacher's card. Materials from other libraries may not be fine-exempt.
- By calling ahead, we will have your set ready for you when you stop in.
- You will need to pick up your set by closing time the day after you reserve it: for example, if you call and make your reservation at any time on a Tuesday, you must pick it up at TPL by closing time on Wednesday.
- Please plan to pick up all sets in the youth services department. You may return it either in youth services, or at regular library return drops.

Sets will be checked out for a three-week loan period, and may not be renewed.

Each teacher is limited to two checked out sets at one time.
