

Sometimes the item you want is not owned by Twinsburg:

CLEVELAND/Carnegie West Branch	Childrens area	BOARD CARLE	Availabl
CLEVELAND/Fleet Branch (2)	Childrens area	BOARD CARLE	Availabl
CLEVELAND/Fulton Branch	Childrens area	BOARD CARLE	Availabl
CLEVELAND/Glenville Branch (12)	Childrens area	BOARD CARLE	Availabl
▶ Reference book, No Holds			
CLEVELAND/Glenville Branch (2)	Childrens area	BOARD CARLE	Availabl

Sometimes the item says Available, yet you cannot place a hold, as in the example above: you can check the item out, but you cannot place a Hold on it.

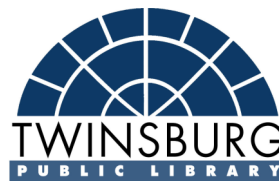

The screenshot shows a search results page for the book 'The Very Hungry Caterpillar' by Eric Carle. On the left, there are filters for 'Available Now...' with 'TWINSBURG/Main Library (1)' selected and 'At any location (1)' unselected. Below that are filters for 'Format' (Books selected) and 'New At The Library...'. The main content area shows 'Found 1 item' with the book title, author 'By Carle, Eric', and year 'Book - 1987'. It also shows 'P Carle' and 'Available in some locations'. There are two buttons: 'Place a Hold' and 'Add to My Shelves'. A red arrow points from the 'Place a Hold' button to the text box below.

As in the example above, you can select Twinsburg as your location; you will only see titles or editions that Twinsburg owns. If you would like to place a hold on the item, click here. If you are placing the hold yourself, outside the library, keep in mind that the hold may be filled by a library other than Twinsburg, even if our copy is Available. Also, if the hold is filled by Twinsburg, the hold will not be available that day.

Searching for Books on CLEVNET

Use the Internet to easily find materials you need.

Search with the internet, anywhere, or use any of the library's Catalog PCs. You can begin your search from the website homepage:

Type in the title, subject, or author of a book.

Search bar containing the text "butterflies" and a "Search" button.

- Books, Movies, & Music
- eCollections
- Events
- Learning & Research
- Services

or go directly to the CLEVNET link, found on the homepage:

That brings you here:

Start here or here.

You can search by the title of the book, the author, or the subject.

Search dropdown menu with "Subject" selected and "butterflies" entered in the search field.

Let's say you are interested in this book. Click Available in some locations.
